

Endorses MIKE FERGUSON *for Congress*

U.S. Representative Mike Ferguson is leading the charge in Congress to stop animal cruelty.

He's the author of the Truth in Fur Labeling Act, which would require all garments trimmed with real animal fur to be clearly labeled to provide consumers with important product information. A federal labeling loophole currently leaves shoppers in the dark about the type of fur trim on everyday apparel—faux or fox, even cat or dog.

Mike Ferguson is a champion for animal welfare and has been a leader in fighting for public policies to halt cruelty and abuse. He has consistently scored 100% on the Humane Society Legislative Fund's *Humane Scorecard*. He has stood up for numerous humane issues, including legislation to:

- Crack down on illegal dogfighting and cockfighting
- Stop the slaughter of American horses for food exports
- Provide better oversight at mass dog breeding "puppy mills"
- Halt the sale of "downed" livestock who are too sick or injured to walk
- Increase funding for enforcement of animal welfare laws
- Require evacuation plans for pets in disasters

In order to pass humane laws, we need humane lawmakers like Mike Ferguson. Voters in the 7th District who care about animal welfare should support his reelection.
