

# Who Could Support Animal Fighting? KEN CUCCINELLI

The Michael Vick case showed America the terrible world of dogfighting. But cockfighting is just as cruel: sharp knives and razors are strapped to roosters' legs and the birds are forced to hack each other to death for people's entertainment and gambling profits.

This year, the Virginia Senate voted overwhelmingly to toughen the penalties for illegal cockfighting.<sup>1</sup> Sheriffs and humane societies throughout the Commonwealth supported the bill. But Ken Cuccinelli sided with animal fighters.

Ken Cuccinelli said “**NO**” to cracking down on the crime of cockfighting. Don't you think it's time you told him “**NO**” when he asks to represent you in the Senate?

<sup>1</sup> The Senate voted 38-2 on final passage of Senate Bill 1190, on Feb. 2, 2007; <http://leg1.state.va.us/cgi-bin/legp504.exe?071+vot+SV0755SB1190+SB1190>.
