

CHIMP RETIREMENT PARTY

MAY 2, 2010

HUMANE SOCIETY
LEGISLATIVE FUND™

Join animal advocates across the country to stand up against chimps used in research and raise much-needed funds to support the Humane Society Legislative Fund's efforts to get the Great Ape Protection Act (H.R. 1326) signed into law!

Visit <http://partyanimals.hslf.org> to host a Chimp Retirement Party or attend a party near you!

The Great Ape Protection Act (H.R. 1326) aims to end invasive research on the chimpanzees remaining in laboratories, retire the approximately 500 federally-owned chimpanzees to permanent sanctuary and stop funding the breeding of federally-owned chimps.
